

2022 Huntsville Santa Claus Parade Float/Participant Registration **Friday Nov. 25th. 2022 Parade starts at 7 p.m. sharp!**

Parade Information

This year's theme is "Imagine" Participants are encouraged to decorate their float in holiday style using the theme as inspiration.

Float drivers **must** be aware of all parade rules and regulations. And all parade entries **must** comply with the safety guidelines:

1. Float order is on a first come, first serve basis. Line up on **Main Street West** between Lorne Street and Yonge Street (NOT in front of Huntsville Public School)
2. The parade Marshall reserves the right to place certain floats or groups at specific locations along the route to coordinate music, marchers, and bands.
3. All participants must obey all instructions from the parade Marshall and route officials. Failure may result in disqualification. Watch route officials (yellow reflective vests) along the route for direction, as needed.
4. Every item on your float must be firmly and safely attached. Loose materials cannot hang from the float.
5. Do not throw candy or other material from your float, nor encourage children to come up to your float, as this presents a serious safety hazard. Any entry caught throwing candy or otherwise in breach of this rule will be required to exit the parade immediately without refund of fees or other recourse. If your group would like to hand out candy it must be done person-to-person only. Please keep any food items "nut-free."
6. Anyone walking along the parade route should have a flashlight and/or reflective clothing.
7. Maintain a safe distance between floats. Watch route officials (yellow reflective vests) along the route for direction, as needed.
8. There will be no early exiting of the parade route, except for an emergency. It is expected that all entries complete the parade route from start to finish.
9. Any horses or other live animals must be accompanied by a clean-up crew . Please be aware that they must cross the swing bridge and that you must abide by the "stoop & scoop" . This is the animal control bylaw.
10. Alcoholic beverages are forbidden on any float, in any vehicle or on the person of any participant. Participants consuming alcohol prior to or during the parade are subject to removal from the parade.
11. No entry may depict anything political, controversial, or otherwise offensive within the sole discretion of the Huntsville Santa Claus Parade Committee.
12. Please have music and lights on your float – remember this is a nighttime parade. Moose 105.5 will play holiday music commercial free so tune your vehicle radios to Moose 105.5!
13. **No entry may depict Santa Claus and/or Mrs. Claus or Santa's Float. We want to save our special guest for last.**

Important Information:

- **Float Marshalling Area:** Floats will assemble **NO EARLIER** than 5 p.m. on Main Street West starting at Lorne Street and continuing along Main Street toward Yonge Street. **Please approach the parade marshalling area on Main Street from the Yonge Street end to avoid turning your float around.** All floats will line up on a first come-first serve basis. There will be **NO** traffic going west on Main Street toward Yonge Street after 5 p.m., so all riders will have to walk to their float from this intersection. In the spirit of the holiday season, parade entries must be decorated and/or have music depicting a holiday theme or scene. Floats may be pulled by commercial vehicles, but undecorated commercial vehicles without a float will be removed from the parade.
- **Dance / Sports groups** will be part of the regular parade only. There will be no performing in advance of the parade as in previous years. **The dance/sports groups MUST keep moving with the pace of the floats to avoid creating gaps in the parade.**
- **Bands/Marchers:** All bands, marchers and people walking the parade will meet in the Huntsville Public School auditorium (16 Caroline Street West) and be placed in the parade at the parade Marshall's discretion.
- **Drivers:** At the end of the parade route, after dropping off children/float riders, please continue **behind** Huntsville Place Mall or continue out of the parking lot. Please **do not stop** at the Huntsville Place Mall entrance. It is important these dispersal rules be obeyed as there have been safety concerns in the past. Please note larger floats will be directed past the mall entrance to be unloaded on King William Street.
- **Float Participants:**
Clearly communicate a meeting place with all your float participants. Listed below are the road closures for the parade. When parents are escorting children to your designated float meeting place, please make sure they are aware of the road closures:
